

Mike Bush

13th December 1936 - 7th September 2011

The recent loss of Mike Bush will be felt not only by his club mates at Littledown Harriers but by the local running community in general.

Mike's contribution to road running in Dorset cannot be overstated. He was prepared to give up his time to organise events and serve on committees so that running could be enjoyed by countless numbers of people locally. 18 Years a member of Littledown Harriers – 7 of which he served as club secretary. In addition he sat on the Dorset Road Race League Committee and for many years along with his good friend Ken Ballam he organised and the annual Purbeck 10 race.

Mike gave his time willingly, he enjoyed running and was a keen, active runner himself. An unassuming character – Mike took great satisfaction in seeing other people enjoy the sport and the great camaraderie that comes with it.

Our thoughts are with his family at this sad time.

At Littledown Harriers he will be remembered for his significant contribution to what the club is today – a thriving, friendly social running club.

Thanks Mike, rest in peace
