Code of Conduct for Coaches

As a responsible athletics Coach you will:

- Respect the rights, dignity and worth of every athlete and others involved in athletics and treat everyone equally.
- Place the welfare and safety of the athlete above the development of performance
- Be appropriately qualified including obtaining DBS/Disclosure, update your licence and education as and when required by UKA and adhere to the terms of the coaching licence
- Ensure that activities you direct or guide are appropriate for the age, maturity, experience and ability of the individual athlete
- At the outset clarify with athletes (and where appropriate, with parents or carers) exactly what is that is expected of them and what athletes are entitled to expect from you
- At training sessions, try to observe a recommended maximum ratio of athletes to coaches in conjunction with the current guidelines
- Cooperate fully with others involved in the sport such as technical officials, team managers, other coaches, doctors, physiotherapists, sport scientists and representatives of the governing body in the best interests of the athlete
- Consistently promote positive aspects of the sport such as fair play and never condone rule violations or the use of prohibited or age-inappropriate substances
- Encourage and guide athletes to accept responsibility for their own performance and behaviour
- Develop appropriate working relationships with athletes based on mutual trust and respect, especially with those athletes under 18 years or vulnerable adults
- Do not exert undue influence to obtain personal benefit or reward
- In particular, you **MUST NOT** allow an intimate personal relationship to develop between yourself and any athlete aged under **18 years**. Any violation of this could result in a coach licence being withdrawn. It may also be a violation of your coaching licence to form an intimate personal relationship with a vulnerable adult coached by you.

As a responsible coach, when participating in or attending any athletics activities, including training/coaching sessions and competition events you will:

- Act with dignity and display courtesy and good manners towards others
- Avoid swearing and abusive language and irresponsible behaviour including behaviour that is dangerous to yourself or others, acts of violence, bullying, harassment and physical and sexual abuse
- Challenge inappropriate behaviour and language by others
- Be aware that your attitude and behaviour directly affects the behaviour of athletes under your supervision
- Never engage in any inappropriate or illegal behaviour
- Avoid destructive behaviour and leave athletics venues as you find them
- Not carry or consume alcohol to excess and/or illegal substances.
- Avoid carrying any items that could be dangerous to yourself or others excluding athletics equipment used in the course of your athletics activity

In addition, coaches should follow these guidelines on best coaching practice

- Avoid critical language or actions, such as sarcasm which could undermine an athlete's self esteem.
- Report any accidental injury, distress, misunderstanding or misinterpretation to the parents/carers and club Welfare officer as soon as possible.
- Report any suspected misconduct by other coaches or other people involved in athletics to the Club, Regional, National or UKA welfare officer as soon as possible
