

## Ladies Race Report – February 2019

Welcome back Ladies, here we are for our 2nd Race Report of the year. With an absence of a year since our reports, I am noticing so many new names!

We are definitely growing in numbers and strength. Well done to all the ladies that were at the Lytchett 10, 24 of us, and all have done extremely well. After the first DRRL race in January we stood in 7th position in Division 1 (the bottom to be precise!) but after coming 3rd team in Lytchett, we have now risen to 4th place, what a great jump.....competition is real tough out there, but so are we...so lets see how much further we can get. Below is listed the results from Lytchett. Well done to everybody there.

Right.....now we have all conquered Race no. 3 for the DRRL and race no.2 for our own club Championships, and again, another fine set of results as shown below. We came 4th team on the day, which has held us at 4th place overall. This is an extremely good place to be, as the 3 teams above us are equally amazing. Ladies running teams are definitely a force to be

reckoned with these days, but I feel we do have some very strong ladies and ever growing numbers, so with numbers, comes strength, so lets give them all a run for their money this year again and keep entering all these DRRL races and do our very best. Below are the Bournemouth 10 results, another great turnout with great performances from us all.

WOW.....32 Ladies....where have you all come from!!! The next DRRL is the North Dorset Village Marathon on the 5th May and this is always a good one to get some good league points as marathon running is not for everyone, but it is for us....come on all you marathon ladies, lets do this one on our doorstep and climb that DRRL ladder. The next Club Championship race is the Larmer 10 which is also part of the Imperial 10 series. I understand this is now full but there are one or two places floating around on Facebook if you wish to seek these out. Please check out our website for all the future DRRL and club races to get involved and entered as soon as possible to avoid the disappointment of the race selling out.

Just a mention of another race which has been brought to my attention this month....

Wokingham Half Marathon

Caroline Horder 1.39 1st F60

I know a few of you mentioned that you were doing the Hope Rising Hospice 10k this month but I have been unable to find the results at the moment, so if anyone can email them to me, then I can mention it on the next report.

Time to sign off for February. Any errors of names or times can be emailed to me, [hebykhosh@live.co.uk](mailto:hebykhosh@live.co.uk), or once again, anything else you wish mentioned. Well done everyone for a very successful fun packed month, and see you all soon.
