<h1>Friday</h1>	During the summer months, every other week there is a social Forest run, see the schedule for more details. Otherwise Friday night Social runs from the Littledown Centre					
<h1>Sunday</h1>	Marathon Training			Long Runs		
	Twice a year we put on a 16-week training schedule for major Spring and Autumn Marathons. We aim to have three paced groups going out on the same route, building up from around 10 miles to the final 22-mile training run, this includes a 2-week taper for race day.			During the year when we are not marathon training, we have weekly Sunday runs from 8 – 18 miles depending on route and conditions. Including local runs and the occasional trail run in the stunning Purbecks.
