

## Portland 10- 02/07/2023 - Captains Report

Well done all who turned out for the Portland 10 mile Club Championship and Dorset Road Race League race. We had a great turnout for men and ladies and secured 3rd and 4th place teams respectively in the DRRL! This leaves the Men maintaining 5th of 7 teams in Men's division 1, and Ladies in 4th of 7 in Ladies division 1!

In the individuals league, **Mark Packer** is now our lead male Harrier overall in 18th position, and **Maria Everett** maintains her position as our lead female Harrier in 5th placed female overall!

We were lucky with the weather for Portland 10 given the heat recently, although it was still a tad warm - especially given the hilly nature of the course...

For the ladies we had a total of nine ladies in orange. First Harrier home and 10th lady overall was **Phillipa Shawyer** (1:13:35), who is back on top form after an injury break, second home was **Maria Everett** (13th lady – 1:14:33) and third home to complete the scoring for the Ladies team was **Jeli Davey** with another great performance (25th lady - 1:23:08). Next and 4th home was **Dani Dixon**, coming back strong after injury, (1:33:18), 5th home was consistent racer **Julie Cupit** (1:34:16), in 6th was the ever present **Becky Sinkinson** (1:48:11), in 7th with another strong comeback from injury was **Suzanne Janes** (1:49:32) and in 8th place the lovely **Angie Bond** (1:54:06) finishing with a smile on her face! After a strong start, **Sophie Herbert** was unfortunately unable to finish the race. Well done to all the ladies – it was a tough course with a lot of uphill!

For the men we had 17 runners turn out, with **Mark Packer** speeding off down the hill from the gun, and maintaining to the finish to be first Harrier home in 1:02:58 in 14th position overall and 3rd in the MV50 category. Next across the line was **Steve Goodman** with another strong performance finishing in 1:06:29; having shaken off early challenges from the other Harrier men in the downhill first 2 miles! 3rd home was **Steve Williams** with a better performance than of recent with a 1:07:33, closely followed by **Mark Everett** 1:07:51, and then **Dave Wilson** 1:07:58 who clearly wasn't up for a mid-race conversation! **Gary Worsley** started strongly, and was next home in a 1:09:29, followed by **Greg Wilson** in 1:15:47; **Patrick Bailey** 1:16:55; **Paul Turle** 1:18:51; **Martin Hudson** 1:22:54; **Joseph Hamblion** 1:23:50; **Barry Telling** 1:25:20 - first place in the replacement knee category we are reliably informed! :-); **Michael Cunningham** 1:30:08; **Mike Neal** 1:30:54 (one of his favourite races this one!); **Richard Flatley** 1:33:15; **Mike Terry** 1:42:07; and **Guy Burdett** 2:11:47. Well done guys!
