How fast do I have to be / how far do I have to be able to run to join?

- To join the general Club sessions, we advise that you are able to run 5 miles comfortably at around 11 minutes per mile.
- The Couch to 5k group is suitable for complete beginners to running.

Where do you meet and what time are the runs?

We meet for our main Club runs on Tuesday and Thursday evenings for a 7pm start. Runs start from the Littledown Centre, Chaseside, Bournemouth BH7 7DX. We meet at the back of the centre at the end of the 5-a-side football pitches. If you head down the path to the left of the centre towards the cricket pavillion and play park, you'll be sure to spot some runners!

Is parking free at the Littledown Centre?

Yes, parking is free for up to 3 hours. (And lockers take £1 coins, which are refunded!)

How long do the sessions take?

It all depends on the distance of the run you wish to join in with, but most groups are back at the centre between 8pm-8.30pm.

What should I wear for the runs?

Comfortable clothes to run in and suitable trainers. In the summer, please bring a bottle of water and in winter please wear high-vis clothing and a head torch is also recommended. If you have any important medication, such as an inhaler, please also ensure you have that with you too.

How much does membership cost?

New runners can come along and try us out for free for a maximum of 6 sessions, after which membership will be due. There are a range of membership options offering affiliation with England Athletics if you are interested in racing, too. Membership starts from £20 for the year.

I'm a new member, where do I collect my Club vest from?

If you choose to include England Athletics affiliation then your membership fee will include a Club vest. Once you have paid, you can collect your vest from Up & Running in Moordown at anytime the shop is open.
